

Attendees: Raman, Roshan, Surya, and Yeshwanth

Absences: Afzal

Start Time: 08:05 PM

End Time: 08:35 PM

Agenda:

1. Status of New Balls Shipment
2. Scorecard corrections
3. Usage of Saliva
4. Remaining Schedule

1. Status of New Balls Shipment:
 - a. The vendor has communicated that the shipment of New Balls has been delayed by 3 more weeks. Kookaburra has been having some production issues which is causing delays on all their orders.
 - b. Raman to contact the vendor from Dallas regarding the availability of alternate balls to proceed with the league operations.
2. Scorecard corrections:
 - a. Surya is still learning navigating through the CricHQ software for revising the scorecard after the game is completed. Raman to work with Saj to come up with a document that provides step-by-step guidelines for fixing the scorecard issues. This document will also be useful for all the future EC's.
3. Usage of Saliva:
 - a. Surya to email the league about the usage of saliva to shine the ball. As per the ongoing Covid-19 guidelines, saliva shall not be used. If NU notices anyone violating this rule, a first and final warning shall be issued to the fielding team captain.
 - b. Any subsequent violations shall carry a level 1 COC violation against the player and the fielding team captain.
 - c. The EC and UC feel that this rule would keep the teams from using saliva and avoid any chances of spreading Covid-19 within the league.
4. Remaining Schedule:
 - a. The remainder of the schedule is reviewed and ready to be shared to the teams. Surya shall email all the teams and also request the webmasters to upload the schedule to the website.
 - b. Two games were not played last weekend due to weather. The members have agreed to give them extension until 5:00 PM on Friday April 22, 2022 to send their rescheduling request. This extension is only for the last weekend's games and is being granted because of the delay in posting the full schedule.
5. Additional Topics: None.
