Agenda:

1. Update on New Balls from UK
2. Status of New Balls from Dallas
3. Umpiring test
4. League fees and funds
5. Rescheduling request

1. Update on New Balls from UK:
 - a. There has been no improvement on the delivery of the New Balls from UK. The expected ship date for the balls is the second week of May due to production delays at Kookaburra. With the delay being on the manufacturer's end, most of the vendors are facing similar issues with their orders. This is expected to last for the rest of 2022.
2. Status of New Balls from Dallas:
 - a. The vendor has delivered 12 New Balls which were in stock and all these were distributed to the teams that are scheduled to play in the coming two weekends.
 - b. The next shipment of balls is expected in the next two weeks.
3. Umpiring test:
 - a. UC has decided to conduct the next umpiring test on June 5th 2022. UC to send out an email to the league. Depending on the number of participants, venues shall be determined.
4. League fees and funds:
 - a. With the exception of the three student teams (WSU Gold, WSU Black, and Cowboys) all the other teams have paid their league membership dues. However, GTCC have only paid their membership dues and not the forfeiture fees.
 - b. Surya to send out a reminder email to GTCC and let them know that they have until April 30th 2022 to pay the balance amount before penalties start kicking in.
5. Rescheduling request:
 - a. The rescheduling request from Titans and WSU Gold came in after the deadline proposed by the EC. The members unanimously agreed not to honor the reschedule request and both teams shall split points. The members also opined that if the teams needed more time to agree on a date, a request should have been made asking for more time before the deadline.
6. Additional Topics:
 - a. Expenses and Reimbursements: Surya to share the AGM expenses and the cost of the medals with Afzal for reimbursement. Raman to share the cost of the New Balls with Afzal for reimbursement.
 - b. MOM Pictures: Surya to upload all the MOM pictures on the website.
 - c. Playoff document: Raman to share the updated playoff format document with the EC.
 - d. Super Over: The first ever super over of TSCL took place this past weekend between WKCC and Cowboys. However, it was observed that the CricHQ software has no provision to score the super over. NU manually kept the score for this game.
 - e. Saliva email: Surya to send out the email about the usage of saliva to the league along with the associated penalties.
