Agenda:

1. Two weeks ago Eagles let the EC know that some of their players have had a Covid scare and they are finding it difficult to get enough player's to play their scheduled game. They have 35 registered player's in their roll and we find it unacceptable that they cannot find 7 players which is the minimum to play the game. The EC further asked for proof of the same, which was not provided. Similar excuse was made at the beginning of the season, in which the EC asked for proof from Cowboy's which they provided. Eagle are forfeiting their second game this weekend, with which the TSCCL Bylaws which states that they are suspended from participating any further in the season.

All games to be played by Eagles will be considered a forfeit and points allotted according to the Bylaws.

2. Furthermore it has been decided that the EC will NOT be allowing Covid as an excuse to postpone/prepone/change games which would include the entire rest of the season (35 over season, playoff's and the entire T20 season)

3. COC violation has been filed against United and a JC has been formed, OKC Strikers, WKCC and Cowboy's have been empaneled to the JC.
